

# HOLIDAY HELLO

NCBEA's Holiday Highlights

DECEMBER 2020, ISSUE 1

## WHAT'S BEEN HAPPENING IN NCBEA?

Happy Holidays from North Central Business Education Association (NCBEA)!

Just thought I would reach out and share some of the exciting opportunities members of our NCBEA region were given in the fall and some upcoming events that will be occurring this winter, spring and summer.

This fall, NCBEA, launched its first book club. In November a group of our members met virtually to discuss the book, *The Energy Bus*, by Jon Gordon. While some of the participants had mixed feelings on the book chosen, all agreed it was a great way to relieve some stress and meet up with colleagues in this trying time. Another opportunity members had was through Cisco's Network Academy. Members were able to sign up for a free course, *Intro to Cybersecurity*. Once course was completed, they were given a certificate of completion.

If you are not aware, NCBEA is a part of the NBEA and being a state president of your state's professional organization, I hope you will share this information with other members of your organization.

### Holiday Issue Highlights:

2 Summer Summit & More!

# Spring Opportunities

Some great options for this coming spring for our members:

One, another book club will be offered mid-February with the book title to be announced in January. Please look on our website at that time for additional information.

Another course through Cisco Academy will be offered. Members will be able to enroll in the course, *Entrepreneurship* for free. Registration will be available via electronic email. Please let us know if this course would be of interest to you and we will forward the materials for registering.

**SAVE THE DATE:  
Summer Summit  
July 21-23, 2021**

We are very excited to announce a summer summit to be held at the Western Tech's Lunda Center in LaCrosse, Wisconsin beginning with a social on Wednesday, July 21 and ending Friday, July 23, 2021.

Hotel accommodations will be available at the Radisson Hotel.

Call for proposals are now available for presenters at the following link:  
<https://forms.gle/vRoFo5yU4P7Se1g19>

Additional information will be forthcoming

NCBEA President Michelle Gibson Herman
