## NCBEA PROPOSED BYLAWS CHANGE-- April 3, 2023

The Leadership Cabinet completed an annual review of the Bylaws as per Article XI, Section 2. It has been determined that more time is needed to fully implement and evaluate the new NCBEA Leadership Cabinet structure resulting in the proposed change to Article XI, Section 3.

#### CURRENT BYLAW

##### Article XI

Section 3 The Cabinet will review the viability of continuing with the Cabinet structure beyond June 30, 2023. The review should begin in January 2023 with a recommendation to be brought to the NCBEA general membership for a vote during the 2023 general membership meeting.

#### PROPOSED BYLAW CHANGE

##### Article XI

Section 3 The Cabinet will review the viability of continuing with the Cabinet structure beyond June 30, 2025. The review should begin in January 2025 with a recommendation to be brought to the NCBEA general membership for a vote during the 2025 general membership meeting.

#### Rationale for changes in Article XI, Section 3:

- To date the Leadership Cabinet structure has only been in existence for several months which is not adequate to effectively assess the model.
- More time is needed to engage with Ohio and Minnesota to secure their involvement and their State Directors.
